

E. CLYDE SHADE IS DUCKPIN CHAMPION WITH GAME OF 169

His Mark Is Highest Rolled in
Small Pins During Past
Three Years in District.

Phenomenal Score Saves Good-
fellows From Shut-Out at
Hands of Belmont Outfit.

By KIRK C. MILLER.

Washington today has a new duckpin champion and he is none other than Dr. E. Clyde Shade, member of the Goodfellows, of the District League, who shattered all previous records for small pin rolling, when he delivered a game of 169 in his third game against the Belmonts Wednesday night. Not in three seasons has as fast a score been amassed by a local bowler and in accomplishing his feat of last night, Dr. Shade precipitated himself into the leadership of all Washington's duckpin community which embraces more than 5,000 active and organized rollers.

Dr. Shade's performance surpasses all of the accomplishments of the vast army of District pinners since 1911, and in putting over his string of 169 he places himself on the very highest pedestal in bowling annals since the game was first introduced here. Through Shade's efforts, the Goodfellows were able to take their only game from "Straight-edge" Michaud's Belmont team, the latter having had an easy time with the first two games until Shade came through with his phenomenal game. But two better rounds of duckpins have ever been recorded in duckpins since the sport was inaugurated on local alleys, the former honors belonging to Dave McCarthy, who put across a game of 178, and Howard Robinson who once rolled a game which went beyond the 170-mark.

Here is a detailed description of Dr. Shade's monster game: He rolled a 10 in the first game, a 12 in the second, a 13 in the third, a 14 in the fourth, a 15 in the fifth, a 16 in the sixth, a 17 in the seventh, a 18 in the eighth, a 19 in the ninth, a 20 in the tenth, a 21 in the eleventh, a 22 in the twelfth, a 23 in the thirteenth, a 24 in the fourteenth, a 25 in the fifteenth, a 26 in the
